## CEDAR SPRINGS MARINA NOW PROVIDING SERVICES

The Cedar Springs Marina at the Flaming Gorge Ranger District is now providing fuel, after damage from a fire to the fuel dock was repaired. The fuel dock at the marina is now safe for boat traffic. Boat rentals have continued and slips are available. Intermittent construction will be continuing at the main marina until all other repairs have been finished.

Water conditions are first-rate at the Flaming Gorge reservoir for boating, but boaters should always be aware of any rock hazards. All boat ramps and marinas are offering full services, except for the Anvil Draw Boat Ramp and Cedar Springs Marina.

For more information please call the Flaming Gorge Ranger District at (435) 784-3445.
